

Are you a people person who's great with customers?

Do you go the extra mile to make sure a customer's query is resolved efficiently?

If so, we have a vacancy for a Trade Counter Assistant at our Scunthorpe Hydraulic, Pneumatic and Industrial products store.

As a Trade Counter Assistant, you will be expected to deliver a high level of customer service in an essential part of our business. We are a family business who strive on making sure that our customers feel they are getting a service they deserve and this starts with our Trade Counter Assistants.

You will be assisting the current Trade Counter Assistants and Manager in the day-to-day operation of the retail side of our business. We are looking for someone to join the team that is friendly, approachable and adaptable.

Previous experience in a technical/engineering environment would be very advantageous but not essential, as you will be assembling hydraulic hoses to customer requirements, serving customers at the counter, assisting with stock control and product sourcing as well as assisting the Manager with other aspects of the trade counter.

A driving licence would be an advantage.

Product training will be provided.

Salary dependent on experience.
